HOW TO OBTAIN PERSONAL DELIVERANCE

THE PROCESS OF PERSONAL DELIVERANCE

When you understand self deliverance, you will keep yourself from being demonized; you will keep yourself healthy, physically and spiritually and be free from demonic pollution. Everyday, you will enjoy divine health and will not be spending your money on drugs and hospital bills.

Sometimes, there may be no minister who is anointed and knowledgeable about deliverance to help you. Sometimes, you can be heavily attacked in your dream and the next service is about four days away. What do you do? You should never allow evil spirits to reside in your life. If you lack adequate time to do a self deliverance in the mornings, after your quiet time, then, when you're having your bath, you could do it.

Our environment is such that there are many evil spirits moving around and if you are not regularly cleaning your house, they may lodge there; your level of education notwithstanding. If a whole university professor could carry a ritual sacrifice because he needed promotion, then education

is irrelevant.

Let's learn a few lessons now before we go into the actual practice.

A demon is a spirit, which means it's like a wind or breath. Most evil spirits leave through the breathing passage or by any opening in the body. This is why sometimes when prayers are hot some people begin to pass out gas or emit bad odour. Now when an ambulance wants to go through a busy area and blares its siren, the purpose is to clear the traffic so as to expedite the passage of the ambulance.

Therefore, when praying for self deliverance, you should keep quiet after the prayer before ejecting those evil spirits. This is why at times we ask people to breath in and out. If you are praying or speaking at this time, the spirit will not go out because you have not opened the way for it.

The next lesson you must learn is this; demons can come out by simple breathing, coughing, choking, yawning, vomiting, etc. The manifestations vary according to the person and the spirit involved. All the spirits that are not deeply rooted, depart easily, but those deeply entrenched, will require more time and effort to go. The more stubborn ones will require the help of other believers. Even when they are that strong, and you continue to wound them daily, they will eventually be mortally wounded.

Also, know that if multiple spirits are responsible for one problem, all of them must be removed before total victory is assured. One thing is certain; with every inch of ground grabbed from the devil, you will notice a definite improvement in your life. This is certain. Once the spirit leaves you, there will be a change in you.

Also, remember that an evil spirit must have a legal ground

for staying in a person's life.

The purpose of all these information is to enable you to do a self deliverance at home for yourself.

The process of self-deliverance is carried out in stages. Let's go through them one by one.

Step ONE

Start with praise worship. You can sing songs to praise God and to worship Him.

Step TWO

Confess out loud Scriptures promising deliverance. Let us run through a few of them:

- Luke 10:19,
- Ephesians 1:7,
- Romans 16:20,
- Revelation 12:11,
- Colossians 2:14,15,
- Galatians 3:13,14,
- Psalm 91:3.
- 2 Tim. 4:18 has this to say

And the Lord shall deliver me from every evil work, and will preserve me unto His heavenly kingdom: to whom be glory for ever and ever. Amen.

You must at least memorize this one – 2 Tim. 4:18.

Step THREE

Break covenants and curses to destroy their legal hold. You pray a simple prayer like this:

I break any curse working against me or I break any covenant working against me, in the name of Jesus.

Simple prayer with much result.

Step FOUR

Bind all the spirits associated with those covenants and curses like this:

I bind all the spirits attached or connected to the curses and covenants I have just broken, in the name of Jesus.

Step FIVE

Lay one hand on your head and the other on your stomach or navel and begin to pray like this:

Holy Ghost fire, burn from the top of my head to the sole of my feet, in the name of Jesus.

Begin to mention every organ of your body; kidney, liver, intestine, blood, etc. You must not rush at this level. Lay your hands on areas that the Spirit of God leads you to. Do not be afraid if you notice that you are swaying or staggering, etc.

Step SIX

Then begin to saturate yourself with the blood of Jesus. You do this by saying:

Blood of Jesus, enter into my spirit, soul and body.

Next you say:

I drink the blood of Jesus.

This must continue until you have a release in your spirit to stop.

Step SEVEN

It is now, that you are able to demand firmly, in the name of the Lord Jesus Christ, that any spirit that is not of God

should leave you. You demand it forcefully like this:

In the name of the Lord Jesus Christ, I come against all you hidden spirits and I bind your activities in my life. You can no longer hide below the surface because I now recognize what you have been doing; release me, in the name of Jesus.

If sickness is the problem, address it and say,

You spirit of infirmity, I speak to you directly, get out of my life now. I am redeemed by the blood of Jesus Christ, come out and go now. Go out with every breath by the power of the Holy Spirit. I prevail over you, in the name of Jesus.

At this point, you stop talking; open your mouth and nose and begin to breath in and out. Take about three to seven deep breaths, and expel them forcefully through your mouth and nose. You may be surprised that strange things will begin to happen. Repeat this stage again and again. This will help you to flush out any deposit or impurity within your body. You may notice that you are coughing, yawning, sneezing, sweating or shedding tears, but continue and do not loose your concentration.

Step EIGHT

When you have finished the expulsion stage, you then ask for a fresh in-filling of the Holy Spirit and close the session with praises.

When you are attacked in your dream, rise up and go through the stages I have already mentioned. (Our book "Victory Over Satanic Dreams" can help you further.)

Self-deliverance keeps you from getting sick; it removes every evil seed of the enemy; it charges your body with fire. It uproots evil plantations and builds up your confidence.

Every night before you go to bed, you must remember these three important prayer points.

1. Pray that the walls of fire should surround you. The Bible says:

For I, saith the Lord, will be unto her a wall of fire round about, and will be the glory in the midst of her (Zec. 2:5).

2. Pray for cover with the blood of Jesus.

Rev 12:11: "And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death."

3. Also pray that the angels of God should surround you.

Ps 34:7: "The angel of the LORD encampeth round about them that fear him, and delivereth them."

No matter how sleepy you are, make sure you pray these three prayer points every night.

There is no reason why self-deliverance should not be effective. However, if the person seeking deliverance is under stubborn demonic control or hereditary strongman and lacks sufficient faith or authority to defeat the oppressors or living in any known sin, the evil spirits will defend what they think is their right.

One final word of caution. For a person to be delivered, he must want deliverance. Self deliverance must not be done because of pride, shyness, the fear of possible public embarrassment, etc. Your motive for engaging in self-deliverance has to be pure.

Remember, deliverance is a process and the length of time it takes depends on several things viz:

- the length of time the spirit has stayed inside a person,
- the strength and reinforcement of the spirit,
- the experience and degree of anointing upon those who

- are ministering the deliverance,
- the willingness of the person being delivered to be free,
- the knowledge of the word of God and your level of hatred for sin.

For self-deliverance to be very effective, a great deal of self-discipline is necessary.

Also, remember that bondage can be weak or strong. A weak hold can be broken quickly, whereas a stronghold may take a longer time. You will not realize the strength of a bondage until you faithfully and persistently work on it. You must remember that a foothold can graduate to a stronghold if left unaddressed.

After this exercise, you can set aside some days (with fasting) to pray the following prayer points.
